

ICE BINS

Our complete range of stainless steel bins come in standard sizes to fit our range of ice cube heads and ice flaker heads.

The Online Ice Machines Bin 220 and the Bin 350 are adaptable for many of the modular ice machine heads available.

The Bin140 is designed for narrow width ice machines up to 560mm.

Bins can be made to order to suit various applications and fit-outs.

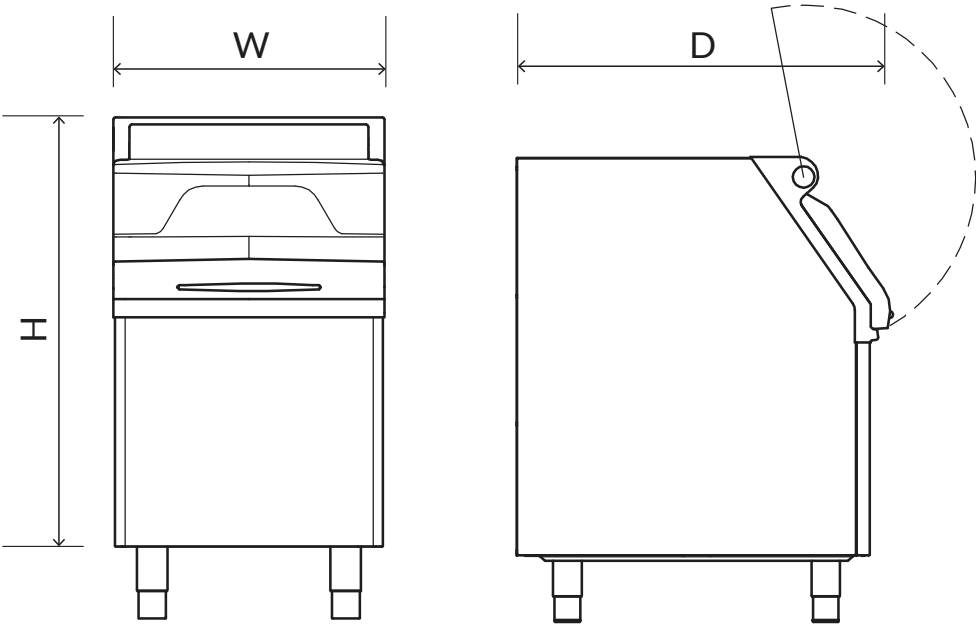

Features

- Full stainless steel shell
- Adaptable for most modular heads
- Rental options available

Suitable for:

- ✓ Solid Ice Cube
- ✓ Granular Ice Flakes
